GENERAL INFORMATION

- All performers need to pack their Wildfire tee shirts, comfortable pants/leggings and closed-toed tennis or dance shoes to be worn for the workshop day (Thursday). Disney will not allow you to participate in the workshop barefoot or in sandals/flip flops.
- All performers need to pack their performance costume (black top, black pants, red suspenders, black boots) in a *separate bag* to be transported backstage on the performance day (Friday). All other accessories and propped will be packed and loaded by the directors.
- Backstage for both the workshop and the performance, cell phones must be OFF and no food is allowed. Disney only allows a closing water bottle backstage – no other drink! You also may not take any photos backstage.
- All students traveling “solo” are assigned a chaperone for the duration of the trip. Students are required to check in (in person or by phone) at the assigned times on the itinerary. No student is allowed to be alone during the trip! We practice the buddy system and we are in constant contact with chaperones and directors! This is a safety issue and there are no excuses or exceptions!
- Please be sure to bring enough cash for your food needs. Your payments to FUSE only cover Disney ticket, hotel, and transportation cost. Food is additional and is EXPENSIVE in California. Please don’t bring/budget \$5 per meal and then either starve or ask/expect others to pay your way – plan ahead and be prepared! An average *low end* meal in the parks and surrounding restaurants for a single person is between \$15-\$20. You can pack and bring your own snacks and food items too and can carry them into the parks to save money! Disneyland and CA adventure also have lockers you can rent for items you don’t wish to carry all day!
- Take (or have your parent take) an immediate photo of your Disney ticket when you receive it. Disneyland will not replace your ticket if it is lost or stolen. You will need to put your name on the back and include the ticket barcode in your photo as a backup!
- PLEASE BE ON TIME FOR ALL EVENT CHECK-INS! Disney will not wait on late performers. If you miss a check in, you WILL miss the show or workshop. This is critical!! Pay attention to the times and be responsible! ☺
- Please check your phone and groupme messages regularly throughout the trip! We try very hard to stick very closely to this itinerary, but occasionally changes may happen and we need everyone to be in regular contact!
